FALL IS BEST FOR SEEDING LAWNS !

The extremely short crop of the better grasses, notably Kentucky Blue this year, with very little carry-over seed to fall back on adds up to sharply higher prices than normal on Kentucky Blue Grass and other of the more desirable varieties. This year be doubly careful in making your purchase.

HERALDS OF SPRINGTIME

1/2 doz. minimum sale except where noted

The above heading may suggest a multitude of the early flowering bulbs which herald the return of color in the garden and prepare us for the mass display of bloom which soon follows in the well planned garden. Those listed below are most worthy of your efforts and so simple in their requirements that every gardener should become better acquainted with them.

CROCUS

Plant them in groups in lawns, flower beds and rockeries. Their cheery colors will dominate for several weeks and they will reappear each Spring for many years. Plant 2 to 4 inches deep.

PURPLE — BLUE — STRIPED — YELLOW — WHITE

Per Doz. 65c; Per 100 \$5.00

DUTCH IRIS

Bulbous type iris blooming about mid-May. Spikes average 15 to 20" topped by beautiful orchid-type blooms. Excellent for cutting. Plant in full sun 3" deep. Colors deep blue, light blue, white or yellow. Order by color or mixed. One dozen min. order. Doz. 75c; 100, \$5.50; Boxed asst. of 25 mixed, 98c.

LEUCOJUM VERNUM → (Snowflakes)

April blooming white bells tipped with green. Plant 3 to 4" deep. Doz. 65c; 100 for \$5.00.

GALANTHUS (Snowdrops)

Truly the advance guard of Spring! Similar to Snowflakes above but one month earlier. Doz. 60c; 100 for \$4.50.

FRITILLARIA IMPERIALIS

The Crown Imperial or Persian Lily. Carries a large cluster of pendant brick-red bells on the top of the sturdy 3-foot stem. Very hardy. Plant 3 inches deep. Ea. 75c; 3 for \$2.10; Doz. \$7.95.

SCILLA (Spring Beauty)

Intense blue flowers appearing as the crocuses fade. About 6" tall, they bloom for weeks. Plant 2 to 3" deep. They naturalize readily and increase under favorable growing conditions. Doz. 65c; 100 for \$5.00.

CHIONODOXA

Charming little star shaped sky-blue flowers with lighter centers, borne in clusters. Especially suited to the rockery and border. They naturalize readily. Doz. 40c; 100 for \$3.00.

SCILLA CAMPANULATA

Also known as Wood Hyacinth. Lovely loose clusters of bell-shaped flowers appearing in early May. They do not object to partial shade. Pink, White, Blue and mixed colors. Doz. 50c; 100 for \$3.75.

GRAPE HYACINTHS ↑

Pert little spikes resembling tiny bunches of grapes. They not only persist year after year but multiply freely. They bloom with the daffodils and last for weeks. Deep blue only. Doz. 40c; 100 for \$3.00.
